04 WHO WE ARE

Founded by Makerere University professionals. Registered in 2013.

A supplies-and-logistics company in Uganda and South Sudan. Tailor-made general supplies for businesses in all industries, plus educational and professional consultancy for government and NGOs.

2010	2013	Today	Next
Francis Odada, founder, becomes a Director	Registered as a Limited Liability Company	Six service lines, from offices in Kampala and Juba	Grow into one of East Africa's biggest supplies and consultancy companies

Our story

Fodman International was founded by a team of highly trained professionals from **Makerere University**, Kampala, and registered in **2013** with the Uganda Registrar of Companies as a Limited Liability Company.

We operate from Kampala and Juba, with a focus on Uganda, South Sudan and the wider Great Lakes region, backed by international partnerships.

Where we are going

We intend to grow into one of the biggest supplies-and-consultancy companies in the East African region, and in time to reach the wider African continent.

> *"The best way to grow is to grow well with others."*

One accountable partner

Supplies, logistics, consultancy, finance, real estate and travel in one company.

Rooted in the region

Strong roots in supplies and logistics across Uganda and South Sudan.

Professionally founded

A Makerere University team skilled in research, statistics and management.

05 WHERE WE WORK

Two offices, one region: Kampala and Juba

- Uganda
- South Sudan
- The wider Great Lakes region
- International partnerships

06 VISION, STRATEGY AND MISSION

OUR VISION

“To be the preferred one-stop centre for professional services and tailor-made solutions in Uganda and beyond borders.”

STRATEGY STATEMENT

Transforming evidence into actionable insights and sustainable impact across complex development and humanitarian contexts.

OUR PURPOSE

Empowering African societies to embrace a culture of resilience and sustenance for their wellbeing and an excellent future.

OUR MISSION

We work with purpose across eight areas, delivering exceptional value to clients and making a meaningful contribution to development across East Africa, with the intention of reaching the wider African continent.

01	General supplies and logistics
02	Research
03	Evaluation
04	Communications
05	Facilitation and training
06	Project design and management
07	Internship provision
08	Corporate social investment (CSI) projects

OUR SLOGAN

Restore trust. Deliver sustainable, effective and quality services.

07 OUR VALUES

Seven values, one standard: restore trust

01 Working with Purpose
Committed to using our skills and talents in service to a better world.

02 Excellence
The highest standards of professionalism and effectiveness.

03 Ethics
Principled, just and honourable in all dealings.

04 Development
Faith in the potential for growth and advancement of both individual and society.

05 Expertise
Ongoing learners, knowledgeable specialists in our field.

06 Passion
Delivering the best quality of service, with zeal, to the people we serve.

07 Customer Care
Our whole being revolves around our customers and clients.

08 SERVICE 01 OF 06 · LOGISTICS AND SUPPLIES

Finance you can trust, to help you grow

Money lending and loan services from Fodman International.

01 Logistics and Supplies
02 Management Consultancy
03 Research and Evaluation
04 Financial Services
05 Real Estate Agency
06 Tours and Travel

01

Finance

Money lending and loan services.

WHAT WE DO

02

Trust

Principled, just and honourable in all dealings.

OUR VALUE: ETHICS

03

Growth

The best way to grow is to grow well with others.

OUR GROWTH PHILOSOPHY

BEFORE YOU BORROW

Ask us anything

A good lender welcomes questions. Ask our team before you decide.

01 **What are the requirements?**

02 **What is the total amount to repay?**

03 **What is the repayment schedule?**

04 **What happens if a payment is late?**

Borrow only what you can comfortably repay.

18 CLIENTS AND WHY FODMAN

Who we serve, and why they choose us

Government
Local, regional and national departments and agencies

NGOs
Non-profit and community-based organisations

Academic institutions
Universities and other institutions of learning

Private sector
Businesses across all industries

Donors
Private and international donors and corporate social investors

01

Strong regional roots

Established in supplies and logistics across Uganda and South Sudan.

02

One accountable partner

Supplies, logistics, consultancy, finance, real estate and travel from one company.

03

Client-first

Appropriate solutions to each client's needs, aiming for fundamental change in the communities we work in.

04

Integrity in growth

We grow well with others and take an explicit stance against dishonest activity.

OUR GROWTH PHILOSOPHY

"The best way to grow is to grow well with others."

19 OUR COMMITMENT

Honest growth, shared with our clients

Honesty and integrity

We strongly believe that the best way to grow is to grow well with others. Our aim is not to take unfair advantage over any person or entity.

We shall always endeavour to have a balanced business environment that gives us and our clients the opportunity to grow and leverage their worth, while benefiting each other.

Our promise to clients

Fodman International is committed to providing quality and professional services to satisfy the diverse needs of our clients.

Our esteemed clients can be confident that, in doing business with us, we will return value on their investment in our services.

> *Whenever a customer has a challenge in our line of interest, that is an opportunity, and we shall be there to deliver.*

Balanced growth
A business environment where we and our clients can both grow and benefit.

No unfair advantage
We prevent, discourage and avoid dishonest activity.

Long-term relationships
Finest quality service, so clients stay with us for the long run.

OUR SLOGAN

Restore trust. Deliver sustainable, effective and quality services.

20 CORPORATE SOCIAL RESPONSIBILITY

Accountable to five groups, not one

We treat CSR as an ethical duty, not a bolt-on. Our actions must benefit the whole of society.

We balance economic growth against the welfare of society and the environment we operate in, and we are accountable to our customers, suppliers, employees, shareholders and communities.

Consumers and job-seekers increasingly judge businesses on this. The impact of Fodman should be felt by the people wherever we run our business, because it is the best we can do to cause positive change.

21 LEADERSHIP

Led by a founder with 20+ years' experience

MANAGING DIRECTOR AND FOUNDER

Francis Odada

Director since 2010, with more than 20 years in business administration, project management, research and statistics, M&E, programme design and management, organisational management, and supplies and logistics management. He previously held progressive senior positions with a number of companies and NGOs, reducing costs and achieving operational efficiencies.

- MA Management (M&E), Makerere University
- BSc Statistics, Makerere University
- PGD Project Planning and Management, Uganda Management Institute

BOARD OF DIRECTORS

Gwendolyne Kyampaire
Assistant Managing Director

Oversees general administration, chairs high-level meetings with clients, stakeholders and partners, and handles urgent payments and financial matters. Acts as Managing Director in his absence.

Hilda Achikuet Marial
Director, Finance and Operations

Worked as a Finance Director with various companies and organisations before joining Fodman. Supervises procurement, daily business transactions and relations with Fodman's bankers, and lobbies and negotiates contracts on the company's behalf.

Richard Ebwolu
Director, Administration and HR

Oversees the HR department. Plans and coordinates staff activities such as recruitment, interviews and supervision in line with performance, targets and contract renewals, and runs a sustainable HR programme.

Wilfred Opobo
Director, Research and Training

Oversees the research and training department. Plans and coordinates activities such as identifying organisations in need of training, and designs training and research programmes.

22 MANAGEMENT TEAM

The people who run the work every day

Five managers and officers carry operations, HR, research, training, public relations and marketing.

John Duku Jojos
Administration and HR Manager

Reports to the head of department. Plans and assists in coordinating staff matters such as salaries and allowances, interviews, recruitment and performance appraisals, and helps maintain a sustainable HR programme aligned with Fodman's strategy.

Robinah Anyago
Operations Manager

Reports to the operations director and plans and coordinates all company operations. The commercial and operations department under her supports the company with relevant, effective and targeted business ideas for its products and services.

Norah Ajoje
Research and Training Manager

Reports to the head of department. Assists in planning and coordinating training and research activities, including supervision of ongoing training sessions.

Catherine Anyait
Public Relations Officer

Creates and maintains good relationships between Fodman, clients, partners and stakeholders, and plans and coordinates marketing, advertising and sales promotions.

Evelyne Nyakato
Marketing Officer

Assists in planning and coordinating marketing and sales activities, such as identifying potential clients in need of services and procurement, and spotting partnerships and business opportunities.

23 STRUCTURE

Clear reporting lines, from director to officer

OPERATIONS AND FINANCE

Hilda Achikuet Marial

Director

Procurement, daily business transactions, banker relations and contract negotiation. Operations are planned and coordinated by Operations Manager Robinah Anyago.

ADMINISTRATION AND HR

Richard Ebwolu

Director

Recruitment, interviews, supervision, performance and contract renewals, with Administration and HR Manager John Duku Jojos.

RESEARCH AND TRAINING

Wilfred Opobo

Director

Identifying client organisations and designing research and training programmes, with Research and Training Manager Norah Ajoje.

Public relations and marketing. Public Relations Officer Catherine Anyait and Marketing Officer Evelyne Nyakato handle relationships, marketing, advertising and sales promotion.
